NITA Reg. No. - NITA/TRN/1492

The Rightway Driving Services Ltd (RDSL) is an integrated road safety Services provider with specific thrust on Defensive Driving training, Driving Safety and Fleet Management training. The company is accredited by **NITA** as a training Institution (Registration Number **NITA/TRN/1492**) and all the trainers are **NTSA** accredited. Whenever a traffic incident occurs within the Organization, business is curtailed and this reduces productivity. Further many families who depend on the affected member of staff are left in anguish in case of a serious incident. It is well established that over 85% of the crashes are as a result of human error and as such, Vehicle operators' Education/training ought to be made part of the organization's Driving and vehicle Safety initiatives

RDSL VISION

To be the acknowledged leader and preferred partner in provision of Driving Safety Services.

RDSL MISSION

Training, educating, influencing and motivating motorists in driving safety

RDSL CORE VALUES

In carrying out its mission, RDSL is guided by the following core values, which focus on service delivery:

- ✓ Customer focus
- ✓ Innovation
- ✓ Professionalism
- ✓ Excellence
- ✓ Trust

Eng. David Mbindyo, Chief Executive Officer & Lead Trainer
Registered Engineer (PE –Engineers' Board of Kenya),
Certified Safety Professional (BCSP-USA),
NTSA Accredited Driving Instructor

Defensive driving Training seeks to impart a strong sense of driving safety responsibility to drivers. The Training changes driver behavior, driving Attitude and perspective to driving safety.

"Tell me and I forget, teach me and I remember, Involve me and learn" – Benjamin Franklin.

1. OPEN TRAININGS - Participants are brought from different organizations to train together9

2. IN-HOUSE (IN COMPANY) TRAININGS – Trainings delivered at the client's premises (on site)

In-house trainings will be tailored (Customized) to suit the needs of the client. The rate for in-house training shall be 65,000/- + VAT per day per group. The recommended class strength is 25 participants as per NITA requirements.

We are flexible and we can deliver the trainings during weekdays as well as over the weekends We can deliver the trainings virtually (Online trainings)

3. FLEXIBLE TRAINING MODULES

We have made our trainings (as listed above) flexible by breaking them in to Short Modules such that when a participant completes all the Modules, he/she is deemed to have completed the full course/s. This caters for participants who may not sit continuously for one or two days. The timings will be planned with the Client. Participants who complete all the Modules and pass all the quizzes will earn Certificates of Successful Completion.

**NOTES:**

1. Short courses/lectures (1 day or shorter) on specific topics - depending on the client's need can be arranged e.g. Requirements of the traffic act, Highway Code, Common causes of Accidents, Accident prevention, Accident investigation etc.
2. Specialized courses like Defensive Riding Course, Off-road driving, 4 WD Driving, Heavy commercial Vehicle(HCV), PSV, Executive and Ladies Defensive Driving Courses can be organized.
3. RDSL offers consultancy in Driving Safety, Transport Management and Fleet Management

Booking can be done through:
